Dear Dan:

Approval is requested for the following purchase order, and changes numbers 1 and 2 thereto, issued on a fixed-price basis for System 4 of Contract A-101:

The original purchase order approval was inadvertently overlooked. This order was placed on the basis of lowest price available with regard for ability to fulfill requirements.

Change Notice number 2 cancels Item 3 for vendor's inability to meet required delivery. Subsequently, the only other signal generator known, which could fulfill the requirements, was ordered from Hewlett-Packard Company on our purchase order 25-43408. Please refer to approval letter dated January 8, 1958 attached to that order.
